About Me

As an adept Frontend Developer with **3.5+ years of experience**, I am proficient in creating effective websites and lead generation landing pages using HTML, CSS, SASS, Bootstrap, and JavaScript. Designed WordPress pages with Elementor. Managed end-to-end deployment, testing, and optimization for seamless UX. Hosted on platforms like Hostinger, GoDaddy, Globe Host for consistent accessibility and performance. Implemented webpage SEO strategies including schema code integration, backlinking, and indexing to enhance visibility and search engine rankings.
